**Peninsula Schools Education Foundation
Grant Application**

CRITERIA

Objectives:

- Projects that include one or more of the following grant criteria:
 - Applies learning to the real world (life skills)
 - Strengthens the relationship between school and community
 - Demonstrates integration of curriculum
 - Impacts a significant number of students
 - Involves the use of technology
- Projects must be creative and innovative to enhance student learning.
- Projects must be beyond the financial capabilities of the district and building budgets.
- Resource materials must demonstrate strong ties to the project.

Priorities:

- Focus on improving student achievement
- Resource materials are reusable
- High ratio of number of students per dollar invested (across one grade or multiple grades)
- Project would not happen without Foundation funding

Not Eligible:

- Staff position funding or reimbursements
- Books and software without strong ties to project
- Technology equipment that qualifies for district technology funds
- Transportation expenses (i.e. buses)
